David McCarthy,
President

As president of the senior class of 1978-79, I would like to say that this year has been a fun year for me. I hope that our class has made a lasting impression on all of our classmates here, for we will be leaving this school with many fond memories of our friends that we leave behind and of the sponsors who have been with us.

Sincerely,

David McCarthy

Jeff Springer,
President

Our high school years have taught us many things. The greatest of these, however, appears to be the lessons taught us in regard to time. I believe Seneca, in the first century, described it best by saying, "Everyone has time if he likes. Business runs after nobody; people cling to it out of their own free will and think that to be busy is proof of happiness."

Barry Heard,
President

We, the Freshman Class of 1978-79, feel that this has been a very good year. Our school has excelled in both sports and academics.

We would like to thank all of the students and the faculty for making our first year in high school a most memorable one. We hope that the remainder of our high school years will be as much fun as this one has.
